Prayer

**"All of us, without exception,
pass through times when we
can pray only with the greatest
exertion of will.**

**Occasionally we go even
further than this.**

**We are seized with a rebellion
so sickening that we simply
won't pray.**

**When these things happen we
should not think too ill of
ourselves.**

**We should simply resume
prayer as soon as we can,
doing what we know to be good
for us."**

Seventh Step Prayer

from page 76 of the 3rd edition Big Book

My Creator, I am now willing that you should
have all of me,
good and bad.

I pray that you now remove from me
every single defect of character which stands
in the way

of my usefulness to you and my fellows.
Grant me strength, as I go out from here, to
do your bidding.

Amen

Happy Birthday to those celebrating milestones of sobriety... those 24hrs add up!

Tradition Seven

The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.
