Gratitude

Say thank you until you mean it. Thank God, life, and the universe for everyone and everything sent your way. Gratitude unlocks fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. It turns problems into gifts, failures into success, the unexpected into perfect timing and mistakes into important and beneficial lessons. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow. Gratitude makes things right. Gratitude turns negative energy into positive energy. There is no solution or circumstance so small or large that it is not susceptible to gratitude's power. We can start with who we are and what we have today, apply gratitude, then let it work its magic. Say thank you, until you mean it. If you say it long enough, you will believe it.

Today, I will shine the transforming light of gratitude on all the circumstances of my life.

Happy Birthday to those celebrating milestones of sobriety... those 24hrs add up!

Tradition Eight

Alcoholics Anonymous should remain forever nonprofessional.

We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage non-alcoholics. Such special services may be well recompensed. But our usual A.A. "12 Step" work is never to be paid for.

"All of us, without exception, pass through times when we can pray only with the greatest exertion of will.

Occasionally we go even further than this.

We are seized with a rebellion so sickening that we simply won't pray.

When these things happen we should not think too ill of ourselves.

We should simply resume prayer as soon as we can, doing what we know to be good for us."
